

Commissions, Compliance, Communication

Your mission is simple [Enable your producers to sell your products and compensate them for their efforts], **but a maze of obstacles** [Complex Commission Plans, Elaborate Bonus Programs, Special Compensation "Deals", Regulatory and Self-imposed Compliance Requirements] **stands between you and success. ACom3™ is the key to navigating the "maze" and achieving your objectives.**

ACom3™ is a web-based application that allows you to stay competitive by supporting sophisticated commission and bonus plans and addressing difficult compliance requirements. Tailor your compensation strategy to drive sales and improve producer loyalty - all while lowering your cost of doing business.

Created by ACTEK Inc., ACom3 reflects the lessons learned from over 20 years of developing software for the insurance industry.
